Bikeability

This week our Year 5s have taken part in level 1 and level 2 Bikeability training. The aim of the course is to improve the pupils' bike-handling skills and confidence, and to prepare them for on-road cycling. The instructors were very impressed with the children's attitude to learning, their bike skills and their welcoming, friendly nature.

David Bunney Visit to Y4

'Mr Bunney came to visit us and told us what it was like to be a Quaker. We all wrote down some questions we wanted to ask him. I asked him a question about silent meeting. He said in silent meeting you could stand up and say something, like what is important to you and what family and friends mean to you. It was really unusual, he said things I didn't expect him to say.' **Marcella Antcliff, Y4**

Jackie Tagg

Jackie Tagg has decided to leave Coram House at the end of the Summer Term. We thank Jackie for all her hard work over the last 15 years, and for her contributions to the welfare of our children. We will miss her, but wish her all the best for the future.

Little Princess Trust

Gabriella Fullarton in Y3 is raising money for the Little Princess Trust by collecting sponsorship to have her hair cut. On Saturday 18 May, she will have her beautiful long hair cut and will send it to the Little Princess Trust so it can be made into a wig. The Trust provide real hair wigs for children and young people with hair loss, as well as funding vital research into childhood cancer. Gabriella used her own initiative to come up with this great fundraising idea.

Autism Resource Bench Project

Ross, from Shed Court, is building a bench using eco bricks made from 2 litre bottles filled with plastic. You can support this project by either creating your own eco bricks using 2 litre bottles filled with items such as plastic wrappers, bags, straws, etc., or donating these types of materials.

Opera North Rehearsal and Concert, St
George's Hall, Bradford

HMC Cricket & Rounders at Woodhouse
Grove

Year 1 DT

In Y1 we are currently looking at the country of Zambia in our Geography lessons. We have linked this to our DT sessions and have experimented with African cuisine. Today we had fun making Koeksisters – a traditional South African sticky donut treat.

STEM Club

In STEM Club this week the children investigated how bubbles are formed, and how a bubble inside a bubble is created!
