

# Coram Connects

18 January 2019

## Quiz Club

'On Tuesday, David, Anna, Sofia and me went to Westville House School in Ilkley, to take part in a general knowledge quiz. We were asked questions on Science, History and Maths. It was a bit nerve wracking as there were lots of people watching us. We were really proud to come 5<sup>th</sup> as there were some very clever teams and the scores were close.' Alex Crystal, Y6

## Cross Country at GSAL

Well done to our amazing Y4 and Y5 cross country teams who were in action last Saturday at GSAL. Our Y5 team finished 4th out of the seven teams taking part, and our Y4 team were crowned champions - an amazing performance given that half of the team were from Y3. Individually both David Swales (3rd Y4 boy's race) and Isla Ball (2nd Y4 girl's race) ran superbly to medal in their races.

## Food Bank Thank You

Pontefract Food Bank consider their prayers to have been answered with your kind donations and would like to say a big thank you for your continued support. Their warehouse was becoming bare, but thanks to you they can replenish their stocks and help those in need.

## A Blue Peter Badge

'Blue Peter were looking for people to come and bake on the show with Bryony from the Great British Bake Off. We made chocolate spread cookies and chocolate baskets. I felt really excited but nervous at the same time. It was really, really fun and I liked seeing the yo-yoers who were on the show.'  
David Swales, Y4

## This Week's Special Mentions
